What am I getting myself into?

We LOVE to have lots of fun with the kids!! However, we strongly believe in the “work hard, play hard” adage.

YOUR CHILD IS GOING TO BE TERRIBLE AT FIRST
Don't remember learning to walk?

It WILL get better

...but not for a while

...especially if your child plays oboe

Grading Guidelines

60% Major Grades—These include sectional playing assessments, recorded assignments in Schoology, and written exams. Playing tests will be given during sectionals and class time. Concert performances are considered major test grades and are required.

40% Minor Grades—These include recording pass-offs, participation and attitude in daily rehearsals, sectionals attendance, extra rehearsals, and locker checks. A student's daily grade will be based on the following: all music neatly in band binder every day, pencil on music stand, all necessary supplies are available, good posture, active participation, and day-to-day improvement.
